CALL FOR 2D, 3D AND INSTALLATION WORK

The Burnaby Arts Council is currently accepting submissions for the Deer Lake Art Gallery, 2018 calendar. This exhibition programme takes place at:

**Deer Lake Art Gallery**
6584 Deer Lake Avenue
Burnaby, BC V5G 3T7

The Burnaby Arts Council has a mandate to reach out to and engage with community in many ways. We seek to reinforce that the arts contribute significantly to the quality of life in Burnaby. The Arts Council is interested in exploring ways arts can be used in our city to draw community together, creating programs and public presence. We also wish to create a broad range of programs and gallery exhibitions to reflect the diversity of cultures in our community, being inclusive and respectful of all cultures. We wish to celebrate and enable emerging and professional artists through a professional exhibition in a public space, which serves to promote artists, to increase public awareness of art, and to make original art by local artists accessible to the general public.

We invite visual artists working in all media including painting, photography, mixed media, sculpture, ceramics, wood, metal work and installation work.

Successful candidates will be booked for a four to six week exhibition

BAC will provide: digital invitations, exhibition installation, manage sales, promote the exhibitions through our website, member newsletters, e-bulletins, press releases and online listings.

**SUBMISSION DEADLINE: NOVEMBER 10, 4 PM**

The Deer Lake Gallery exhibits group shows with 2 or more artists or maximum 1-2 solo exhibitions. Artists are welcome to submit individually or as part of a group. Individuals who submit a proposal need to outline a theme, idea or concept. Deer Lake Gallery only exhibits one theme per show, so all artists exhibiting would be part of one theme. Non-artists and members of the public are also invited to submit ideas and concepts for exhibitions they would like to see in the gallery. We accept proposals from all members of the public and there are no geographic restrictions.

The BAC reserves the right to select artists and group artists that they think will be appropriate theme.
Deer Lake Art Gallery is a unique and dynamic space, and we encourage diverse and creative themed proposals to inspire and engage the community.

Submission proposals are only accepted through the [ONLINE application form](#).
